

MOTION BY SUPERVISOR GLORIA MOLINA

October 14, 2014

The White Memorial Medical Center-Center for Hispanic Health will set the national standard for culturally competent research on health status and healthcare practices for Hispanics. The Center will provide a structure and process to improve the health of the community, especially as it relates to diabetes, and will respond to health needs among Hispanics by developing evidence-based care and treatment innovations; this project will benefit County residents. Any contribution will provide initial program funding for the creation of the Center for Hispanic Health. The Center of Hispanic Health is poised to partner with the Wellness Center at the LAC-USC Medical Center.

I, THEREFORE, MOVE the approval of an appropriation adjustment to transfer \$100,000 from the Provisional Financing Uses Budget Unit to the Project and Facility Development Budget Unit.

I, FURTHER, authorize the Chief Executive Officer to execute a funding agreement in the amount of \$100,000 to the White Memorial Medical Center Charitable Foundation - the Center for Hispanic Health from the Project and Facility Development Budget Unit for this First District initiative.
